#### HOW MANY PEOPLE?

- Mass size will be limited to no more than 25% of Diocesan calculated maximum capacity.
- Limiting the number of people at each Mass is difficult. We thank you for your patience and understanding.

#### WHAT CAN I DO BEFOREHAND?

- Mass attendance will be limited, either through an RSVP system or on a First Come, First Served basis. Please consult your parish website or social media communication for more information.
- If your parish is using an RSVP system, you can assure your spot at Mass by signing up via the RSVP system of your parish. This can generally be done either through a phone call to your parish office or through the online system your parish has set up. Again, Check consult your parish website or social media communication for more information.
- If your parish is using a First Come, First Served system, it is recommended that you arrive as early as 30 minutes before Mass time, but not earlier. If you arrive earlier, you should remain in your vehicle until you can enter the church.
- None of us what to turn away someone from attending Mass; however, the restrictions are for the health and safety of you, your family, those others attending, and those serving you at Mass. Please be understanding if you are not able to attend Mass.
- If any of the lay faithful are high-risk, or present any symptoms of illness, they are asked to NOT come to Mass. Out of respect for others we ask that they participate from home during the illness.

- Multiple households can sit in a pew as long as the six-foot distance is maintained.
- Masks are to be worn at all times. They must be taken off so that you might receive Holy Communion, but otherwise they must be worn for the entire time that you are on church grounds.
- Hand sanitizer should be available and used regularly.

- As the lay faithful process to receive Holy Communion, a six-foot distance must be maintained. Ushers will assist in coordinating said distance.
- The communicant approaches, removing their mask.
- If the communicant is wearing gloves, they must remove their gloves before receiving Holy Communion.
- Considering the health risks associated with the COVID-19 pandemic, the risks associated with its transmission, and health of those distributing Holy Communion, the lay faithful are strongly urged to receive Holy Communion in the hand.
- The priest, deacon, or lay extraordinary minister, holding one edge of the consecrated host, places the outer edge of the consecrated host in the communicant's outstretched hand. The minister then reverently releases the consecrated host, allowing the remainder of the consecrated host to reverently fall into the communicant's outstretched hand without the hand of the minister making contact with the communicant's outstretched hand.
- Should any physical contact occur during the distribution of Holy Communion, the priest, deacon, or lay extraordinary minister, must stop and sanitize their hands immediately.
