December 1, 2021 | Weekly Newsletter

Dear Christ the Redeemer Parishioners,

First, Thank you all so much. Our iGiveCatholic collection this year was awesome and inspiring. Our total at the end of the day was \$4,250. This amount also includes an extra award from Bishop Fabre for \$500. These were given out throughout the day, and Christ the Redeemer was awarded one. This amount is not our actual total as more donations will continue to come in over the next month. I will try to keep you updated on the actual final amount as that information comes in. Last year, our collection for the Family Center grew almost to double over the course of a month. I am impressed by and proud of what we accomplished together to help out Sacred Heart and St. Charles.

Second, it has been brought to my attention that the Christmas Parade is this weekend and is going to impact our Youth Formation Program. I know that this change takes place in four days, but after consultation with our youth formation team and at the request of parents, our next classes for our 6-8 grades and 9-11 grades are rescheduled from this Sunday, December 5 to December 19.

One small personal note about today, December 1 marks a year and ten months that I have been assigned here to Christ the Redeemer. This is a strange length of time I know, but this matches my previous longest tenure at an assignment. This is the longest I have been able to be stable in one place in my time as a priest. I am glad that it is here with you guys and at this parish. Please continue to pray for me. I look forward to many more years.

Thank you,
Fr. Alex Gaudet
